

The Harmony Range

The Harmony, the posture and pressure integrated management chair.

Designed for Long Term Health Conditions

The whole purpose in the design of the Harmony is to develop a chair that can offer excellent pressure management options with postural support, whilst at the same time offering comfort in a stylish chair that blends into any environment.

Suitable Environments

Home

Nursing & Residential Homes

Healthcare

Fabric Shown:
Highland Lime Green & Black VP

Lateral Back Cushion

As a standard feature the Harmony chair comes with a split back cushion with lumbar support offering greater support for the user.

Waterproof Fabric

Our waterproof fabrics combine maximum abrasion resistance with specially-engineered low friction surface which minimises the risk of shear.

Removable Seat Wrap

Removable duvet enabling easy access to the pressure / postural inserts, fixed seat box and the standard memory foam within the duvet is removable.

Additional Back Options

2-Tier Drop Back

A classic fibre filled back cushion provides a soft feel and maximum comfort. The 2-Tier Drop Back comes fully adjustable with zip access at the rear to offer bespoke support around the back area.

Vertical 2-Tier Drop Back

A fibre filled back designed for a comfortable feel and to aid in the reduction of pressure around the mid-back and spinal areas. Beneficial to users with more complex postural needs such as Scoliosis and Kyphosis.

3-Tier Drop Back

Each individually fibre filled cushion has zipped rear access for adjustment, providing maximum comfort & bespoke support. Beneficial to users with more complex postural needs like Scoliosis and Kyphosis.

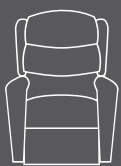

Foam Lateral Back

A firm foam filled Lateral Back with a soft fibre filled headrest. This will not only provide comfort, it also will help to maintain a healthy mid-line position from the hips upwards, which is key for good posture.

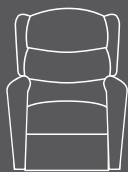

Stylish & Functional

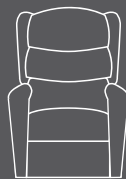

Each Harmony incorporates a clean flat arm and is manufactured to the specification detailed by a trained assessor ensuring that the clients changing pressure and postural requirements are catered for.
