

Tempo

The Tempo, a meticulously designed portable chair available to fit a vast range of user needs.

## Posture & Pressure Care Made Portable.

The Tempo comes in a range of mechanisms which will cover a full range of posture and pressure positions and support while having the ability to gently rise the user to a standing position.

### Suitable Environments

Home

Nursing & Residential Homes

Healthcare

Fabric Shown:  
Highland Purple & Black VP

### Postural Management

Using interchangeable back and pressure seating options allows the user to achieve the most comfortable sitting positions and to achieve the correct posture.

### Tilt in Space System

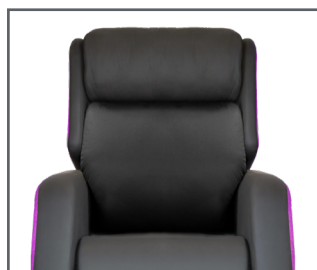

With independent leg elevation and back recline, this system enables change of orientation which redistributes pressure and maintains physical angles at the hips, knees and ankles.

### Pressure Care Management

Using a Vapour Permeable removable seat wrap allows alternative pressure care foams, cushions and gels to be incorporated in the seat offering low to high pressure care options to the user.

## Additional Back Options

### 2-Tier Drop Back

A classic fibre filled back cushion provides a soft feel and maximum comfort. The 2-Tier Drop Back comes fully adjustable with zip access at the rear to offer bespoke support around the back area.

### Vertical 2-Tier Drop Back

A fibre filled back designed for a comfortable feel and to aid in the reduction of pressure around the mid-back and spinal areas. Beneficial to users with more complex postural needs such as Scoliosis and Kyphosis.

### Fibre Lateral Back

A soft fibre filled Lateral Back with a soft fibre filled headrest. This will not only provide comfort, it also will help to maintain a healthy mid-line position from the hips upwards, which is key for good posture.

### Foam Lateral Back

A firm foam filled Lateral Back with a soft fibre filled headrest. This will not only provide comfort, it also will help to maintain a healthy mid-line position from the hips upwards, which is key for good posture.

## Tempo Key Features

### Standard Headroll

A deep soft pillow combined with a soft lateral which gives you moderate support to the back and trunk.

### Horseshoe Headroll

A contoured soft pillow to fit shoulders, neck and providing a supportive head position.

### Deep Contoured Headroll

A Reflexion foamed headrest providing support to users who suffer with severe head movements and neck injury.

### Padded Pelvic Belt

The additional padded pelvic belt maintains user position and is designed for user comfort.

### Accupack

Our Integrated Accupack will conveniently perform 40 complete cycles between charging.

### Drop Down Footplate

The integrated and unique drop down footplate uses magnetic fittings and is a great feature for user transportation.

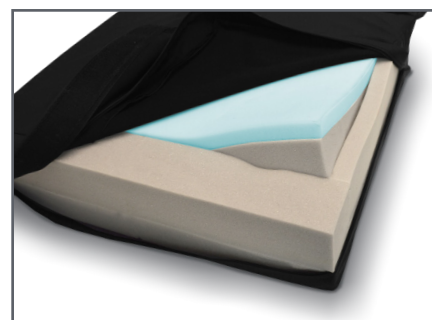

### Operational Grab Bar

For ease of movement our Tempo comes fitted with a heavy-duty grab bar with rubber grips.

### Individual Locking Castors

100mm locking swivel castors made from high grade synthetic materials. Total lock and directional lock available.

### Interchangeable Seat Module

The interchangeable seat module allow for Posture Visco, Gel, Air and Dynamic Air options to be added with ease.
